8) I am not in favour of sanctioning the proposal of the Trust Board. The housing problem in Mysore City has considerably eased of late. The Central Government had sanctioned Rs.100/- lakhs as loan to the State Government for building cheap houses within a year. The Co-operative and other institutions in Mysore City will surely come forward to avail themselves of this Central aid for undertaking large scale housing schemes. There is no need for the T.B. to construct any more houses in Mysore City. The proposal may be negatived.

Subject : Estimate for Rs.1,90,800/- for constructing model houses at Saraswathipuram, Mysore.

I.T.B. 22 - 54-8

With reference to your letter No. L.15504/I.T.B.22-54-2 dated 28-3-1955 returning the estimate for the above works with the observations that the Trust Board need not take up the construction of model houses etc., I write to state as follows:-

The Trust Board has programmed to take up construction of new houses during 1955-56 under the scheme of providing houses for the 'LOW INCOME GROUP' sponsored by the Central Government, as referred to in your letter and a loan of Rs.10,00,000/- (Ten lakhs) has already been applied for in this office letter No.D2.C.499/53-4 dated 11-12-1954. The Chairman, Mysore Labour Housing Corporation, Bangalore, has also proposed to ear-mark this sum to the Trust Board out of the total loan of one crore of rupees by the Central Government for the above purpose.

The estimate in question has been included in the draft budget of the Board for the year 1955-56 and the construction of these houses under the new scheme will benefit large number of middle class purchasers, apart from the staff of the Trust Board and Municipality who are willing to purchase them under the easy term of repayment contemplated in the above Housing Scheme.

Under the above circumstances, I request that the estimate in question may kindly be returned sanctioned early. The file of estimate and plans is herewith retransmitted for kind needful.
